

Targeted Violence and Terrorism Prevention: Prevention Resource Finder

Your one-stop shop for federal resources to prevent targeted violence and terrorism in your communities

The **Prevention Resource Finder** is a website managed collectively by the federal Departments and Agencies with violence prevention missions and administered by the **Center for Prevention Programs and Partnerships**. The website helps prevent targeted violence and terrorism in the Homeland by giving the public easier access to available grants, research, training opportunities, and other resources that are government produced and government funded.

What Types Of Prevention Resources Are Available?

Targeted violence and terrorism is preventable and every person, organization, and community can play a part. The **Prevention Resource Finder** provides a wide range of tools and resources to help communities understand and prevent targeted violence and terrorism in a single, easy-to-navigate website. Among other resources, the site houses a large collection of federal resources, including:

- Community support resources
- Grant funding opportunities
- Information-sharing platforms
- Evidence-based research
- Training opportunities

Who Is The Audience?

The **Prevention Resource Finder** provides up-to-date prevention information and resources for the public and prevention practitioners including:

- Any citizen who wants to play a part in preventing targeted violence and terrorism
- Mental health/behavioral health/human services
- Health care
- Educators
- Faith-based and non-profit organizations
- Law enforcement
- State, local, tribal, and territorial governments
